## The Innovation Centre is in Chasewater Country Park in Brownhills, just north of the M6 Toll motorway and the A5.

### Getting here by car

The Chasewater Innovation Centre is easily reached by road, being very close to the M6 Toll motorway and approached via the A5.

Once on the A5, follow the brown signs to Chasewater Country Park. Access to Pool Road is from a slip road on the Lichfield bound (eastbound) carriageway of the A5 after the Crown/Rising Sun island - look out for a small wooden pit wheel with a blue signboard at the head of Pool Road. (If heading westbound on the A5, go around the Crown/Rising Sun island and double back to get to the Innovation Centre.)

Proceed along Pool Road and pass over the M6 Toll motorway and the turning to the Innovation Centre is on your left immediately after the motorway bridge.

### To get to the A5 from M6, M6 Toll or M42 motorways:

**M6 northbound** - Exit junction 11 on the A460 towards Cannock. Follow signs to A5 eastbound

**M6 southbound** - Exit junction 12 directly onto the A5 eastbound towards Cannock

**M6 Toll** - Exit Junction T6. Turn right at island onto B5011. Turn right at lights onto A5 westbound

**M42** - Exit junction 10 and take the A5 westbound

### Car parking

140 free car park spaces are available on site. When arriving at The Chasewater Innovation Centre please note that there is a barrier system in operation.
