

A young girl with pigtails is looking into a washing machine. The machine is filled with laundry, including a yellow patterned cloth and a red item. In the foreground, there are two large, blue, rectangular cleaning product containers. The text 'Loads...' is written in large, white, bubbly letters with a blue outline, positioned in the upper left corner of the image.

# Loads...

## of temptation?

Liquitabs may look like sweets, toys or teething products to young children. They are highly toxic and can cause severe problems if swallowed, or if the contents come into contact with skin or eyes.

Store all household cleaning products out of reach. Safety caps and lids slow children down but don't rely on them.

In the event of an accident follow advice on the product pack and seek urgent medical advice.

# Be one step ahead

Put away painkillers, medicines, e-cigarettes and air fresheners – they are very poisonous to children and can be fatal. Discourage children from eating any plants or fungi when outside.

In the event of an accident follow advice on the product and seek **URGENT** medical attention.

Check the battery compartment on toys, remote controls and other electric devices is secure. Lock away spare batteries, and seek immediate advice if swallowed.

Lithium batteries are found in phones, games, watches and toys but can be fatal if swallowed.

**Take action and  
put them away**
